50+ Best-in-Class Features.

All Standard.

The future of adventure is here in the all-new Airstream Interstate 24X. Built on the redesigned Mercedes-Benz Sprinter Next Generation chassis, the rugged and capable Interstate 24X features the amenities, quality, and craftsmanship you expect – plus dozens of new enhancements that are as flexible as they are functional.

Power, performance, safety, and design. Go farther and stay out there longer with Airstream and Mercedes-Benz.

Mercedes-Benz Safety Systems

Active safety systems, side and rear cameras, and the most airbags in any Mercedes-Benz model

Ultra-Flexible Space

Style, Systems, Storage & Sleeping Quarters

Aluminum Aircraft L-track Storage System on the walls, ceiling, and floor creates a highly flexible storage and securing solution for all your gear. Load up and tie down bikes, kayaks, fishing equipment, and anything else your adventure requires. When you arrive, set up the living space in your perfect combination of bench seating, bedding, and living space.

Efficient Kitchen with Premium Appliances & Ample Storage

Prepare a hearty and healthy breakfast in the kitchen before heading out – or fuel up at the end of an adventurous day. A solid-surface countertop, deep sink and cover, 2-burner propane cooktop, 0.7 cu. ft. microwave, and large storage cabinets provide the ultimate in functionality, accented by premium design touches (like red translucent edge banding light and a matte finish Moen pull-down faucet).
