

AIRSTREAM® Interstate 24X

About Interstate 24X

The future of adventure is here in the Airstream Interstate 24X. Built on the powerful Mercedes-Benz® Sprinter van chassis, the rugged and capable Interstate 24X features the amenities, quality, and craftsmanship you expect – plus dozens of new enhancements that are as flexible as they are functional.

Travel with the dependability of Mercedes-Benz power and performance under the hood. Advanced technology throughout the cockpit – including in-dash controls, power seats, and more – lets you focus on the adventure ahead. Active safety systems, side and rear cameras, and the most airbags in any Mercedes-Benz model ensure passengers arrive safe and secure, while push-button controls provide powerful convenience.

Airstream's first true adventure van, Interstate 24X is loaded with features that let you bring along everything you need for an epic experience. The Aluminum Aircraft L-track Storage System on the walls, ceiling, and floor creates a highly flexible storage solution for bikes, fishing gear, kayaks, and more. When you arrive at your destination, easily set up the convertible interior space in your perfect combination of bench seating, bedding, and living space. And with Airstream's legendary craftsmanship and interior design, you've got all the comforts of home – no matter how far away you travel.

Décor

This is the adventure van I've dreamed of – everything I need to get out and enjoy the outdoors, and plenty of flexibility to bring along the gear I need." **ANDY** Interstate 24X Owner

Red Rock

Exterior Colors

Iridium Silver Metallic

Sleek and modern exterior color with protective coating around front, rear, and sides

Floor Plan

Rugged, functional, sleek, and stylish, the interior of Interstate 24X is fully loaded with on-board systems that upgrade your adventure. Inside the Interstate 24X, Airstream comfort and quality form the foundation of your next road trip. A bathroom, a kitchen, and the largest sleeping area in any Class B recreational vehicle mean you're truly traveling with the comforts of home, while flexible options for seating, dining, and working allow you to make the adventure your own.

Exterior Features

Built on the powerful performance of the legendary Mercedes-Benz Sprinter van chassis, the Interstate 24X is packed with exterior features that prioritize comfort and maximize outdoor adventure. Premium Air Ride Suspension provides the smoothest ride available, while two 100 Ah deep cycle lithium batteries, roofmounted solar panels, and enhanced power system components ensure you have the power you need for the adventure ahead.

Matte black running boards allow for easy entrance.

4-Wheel Drive and All-Wheel Drive power trains enable more off-road adventures.

Air Ride Suspension comes standard, so you can enjoy a smooth ride, mile after mile.

Exterior lighting provides safety, security, and enhanced nighttime navigation.

Powered armless patio awning extends with push-button ease.

Sliding door and screen system lets breezes in while keeping bugs out.

Chassis Options

4X4

Chassis	Mercedes-Benz® Sprinter 3500 Extended
Engine	Mercedes-Benz® 3.0LV6 Turbo Diesel
Horsepower/Torque	188 HP @ 3800RPM/ 325 lbs torque @1400-2400RPM
Transmission	7G-TRONIC Plus Automatic
GVWR/GCWR	11,030 lbs/15,250 lbs
UVW****	9,945 lbs
OCCC****	1,085 lbs
Tow Capacity**	Up to 5,000 lbs
Overall Height	9 ft. 9 in. (inc. A/C & Antenna)

AWD

Chassis	Mercedes-Benz® Sprinter 3500 Extended All Wheel Drive
Engine	Mercedes-Benz® 2.0L 4-Cylinder High Output Diesel
Horsepower/Torque	211 HP @ 3,600 RPM 332 lb-ft torque @ 1600 - 2400 RPM
Transmission	9G-TRONIC Plus Automatic
GVWR/GCWR	11,030 lbs/15,250 lbs
UVW***	9,945 lbs
OCCC****	1,085 lbs
Tow Capacity**	Up to 5,000 lbs
Overall Height	9 ft. 9 in. (inc. A/C & Antenna)

Why You'll Love It

Interstate 24X is built to withstand the rigors of your adventurous lifestyle. Go further than you ever dreamed with a 3.0L V6 Turbo Diesel engine that packs plenty of horsepower and torque. And with a towing capacity of up to 5,000 pounds, you can bring along toys, trailers, or even your Airstream travel trailer.

- Large wheels and tires help you tackle rougher terrain and provide ultimate stability and traction.
- Expansive solar power lets you stay off grid longer while an outdoor shower lets you clean up your gear (and yourself) before heading inside.
- A versatile interior L-track storage system lets you secure gear, bikes, and more with ultimately simplicity.

How It's Made

Each Mercedes-Benz Sprinter van chassis arrives in Jackson Center, Ohio fully loaded with safety and security features and one of the most powerful and dependable engines under the hood. Our expert craftspeople add external features like RV windows, vents, air conditioners, awnings, and undercarriage features like generators, holding tanks, and batteries. Standard seats are removed and re-upholstered with plush Ultraleather, while the interior is outfitted with electrical wiring harnesses, plumbing, gas lines, and insulation. We hand-craft every cabinet and storage locker in our woodshop, which are then installed alongside showers, beds, tables, and kitchen appliances. Every Airstream touring coach is put through an extensive water check to ensure there are no leaks before quality inspection teams test every component, system, and function before it goes out the door to a customer.

is watertight.

419 West Pike Street, P.O. Box 629 Jackson Center, OH 45334 USA 937-596-6111
